About this Report

This report is prepared and printed for your benefit and is intended to give you a complete picture of your town and schools — What has been done, where the money went, and what faces us in the future.

Town matters appear in the front of the book and school affairs are recorded in the back of the book.

We endeavor each year to improve your report, to make it readable and understandable. If you have any suggestions as to how we might make further improvements, please let us know.

Thank you,

YOUR TOWN OFFICERS

TOWN WARRANT**STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Bedford in the County of Hillsborough, in said State of New Hampshire; qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the eighth day of March, next, at 7:30 of the clock in the forenoon to act upon the following subjects:

Article 1. To bring in your votes for the election of Delegates-at-Large, Alternate Delegates-at-Large, Delegates and Alternate Delegates to the National Conventions of the various political parties, to be held to nominate party candidates for President and Vice-President of the United States.

Article 2. To bring forward your ballots for the necessary town officers for the ensuing year and the ensuing three years. Polls are to open at 7:30 A.M. and are not to close before 6 P.M. At 8 P.M. action will be taken on the following Articles in the Warrant:

Article 3. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

Town Officers' Salaries	\$ 6,800.00
Town Officers' Expenses	2,500.00
Election and Registration	800.00
Municipal Court	800.00
Town Hall and Town Buildings	3,500.00
Fire Department	6,200.00
Health Department	100.00
Vital Statistics	100.00

Street Lights	2,150.00
Town Dump	500.00
General Highway and Winter Maintenance	18,000.00
Employees' Social Security	1,000.00
Care of Clock	50.00
Summer Maintenance of Highways and Bridges	11,000.00
Memorial Day and Veterans' Association	50.00
Town Poor	1,500.00
Aid to Soldiers and their Families	1,000.00
Old Age Assistance	3,000.00
	<hr/>
Total	\$59,050.00

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, up to the sum of \$50,000.00 if needed, and raise and appropriate the sum of \$300.00 for interest thereon.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$2,614.00 for the operation and maintenance of the Bedford Public Library.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 to gravel Class V. Highways within the town.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Civil Defense. (Not recommended by Budget Committee).

Article 8. To see if the Town will vote to raise and appropriate the sum of \$1,294.00 for Construction of Class V Highways, the State to contribute \$8,626.70.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$16,000.00 for the tarring of Class V Highways under the direction of the Selectmen.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$400.00 to be used in cooperation with State and Federal

funds for the control of White Pine Blister Rust within the confines of the Town. Not recommended by Budget Committee).

Article 11. To see if the Town will vote to raise and appropriate the sum of \$500.00 for damages and legal expense including dog damages.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$50.00 to purchase advertising space in the 1961 Guide of the Merrimack Valley Region, or to act in relation thereto. (Not recommended by Budget Committee).

Article 13. To see if the Town will vote to raise and appropriate the sum of \$775.00 for the care of the New Cemetery; \$25.00 for pumping water for the same; \$125.00 for Care of Joppa Cemetery; \$50.00 for care of the Old Cemetery on Back River Road; and \$25.00 for the care of the Beals Cemetery.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$200.00 for maintenance of power equipment used in Town Cemeteries.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to apply to the Capital Reserve Fund for the purchase of a Grader.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to apply to the Capital Reserve Fund for the purchase of a Tractor Loader.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the Planning Board.

Article 18. To see if the Town will vote to make the office of Chief of Police a full time job.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$7,570.00 to operate and maintain the Police Department. (Budget Committee recommends \$3,500.00).

Article 20. To see if the Town will vote to establish a Capital Reserve Fund for the purchase of a new fire truck in accordance with Chapter 35 of the revised laws of 1955 and raise and appropriate the sum of \$3,000.00 to apply to this fund.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of developing the Driscoll Land under the direction of the Park and Recreation Commission. (Not included in Budget Committee Budget).

Article 22. To see if the Town will vote to raise and appropriate the sum of \$100.00 to cover the cost of rental of two (2) Hydrants, located one on the corner of Donald and Savoie Streets and one at the end of Savoie Street.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$77.76 to cover the maintenance of two (2) street lights, one to be located on Ministerial Branch in the Sherwood Forest Development near the property of Paul Ferriera, and one on Ministerial Road in the vicinity of the Stevens and Davidson Properties. (Not included in Budget Committee).

Article 24. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the construction of a hard top driveway in that part of the New Cemetery just opened.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$2,230.00 for the purchase of an air compressor for the Highway Department. (Not recommended by Budget Committee)

Article 26. To see if the Town will vote to raise and appropriate the sum of \$120.00 for the operation and maintenance of eight 11,000 Lumen Mercury Vapor Lights on the new Merrimack River belt line highway bridge in Bedford. (Not recommended by Budget Committee.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$1,800 for a Summer recreation and playground pro-

gram, said sum of money to be used for playground supervisor and two assistants' salaries and for equipment and supplies for said program. (By Petition). (Not included in Budget Committee's Budget).

Article 28. To see if the Town will vote to accept a certain tract of land from Alice B. and Dante V. Donati, and W. Wadleigh, at no cost to the town, for a site of the Bedford Civil Defense Control Center and Parking area, meeting all specifications for safety and approved by Federal Engineers from the Office of Civil and Defense Mobilization for this purpose, situated in the Town of Bedford, County of Hillsboro, State of New Hampshire, bounded and described as follows: Beginning at a point located on the East line of the new road, 1,270 feet, more or less, South from Southerly line of the North Amherst Road, being the Northwest corner of the herein conveyed premises; thence in an Easterly direction, S. 89° O' E., 280 feet, more or less, to a stone wall; thence Southerly, S. 4° 50' W. 350 feet, more or less, along said stone wall to a corner of said stone wall; thence Westerly N. 89° O' W., 200 feet, more or less to a point located on East line of existing new road; thence Northerly 350 feet, more or less, to the point of beginning.

Article 29. To see if the Town will vote to accept as a gift from George F. Chesbro and Zepherine Chesbro a tract of land containing four (4) acres, more or less, bounded by land of Dante V. Donati and Alice B. Donati and Winthrop Wadleigh, said land to be used for recreational purposes.

Article 30. To see if the Town will vote to accept Pinecrest Drive located at Bell Hill, from a point of beginning at Route 101 Southeasterly for a distance of 1,075 feet by 50 feet wide.

Article 31. To see if the Town will vote to accept Mack Street for a distance of 260 feet by 50 feet wide from Palomino Lane in a Southeasterly direction to dead end.

Article 32. To see if the Town will vote to accept Glen Road in a Westerly direction an additional 570 feet by 50 feet from its present accepted length for a completed total length of 2,054 feet.

Article 32a. To see if the Town will vote to accept Wendover Way, beginning at the Northerly bound with the Woodbury land and continuing in a Southeasterly direction for a distance of 1,350 feet by 50 feet wide.

Article 33. To see if the Town will vote to accept the remaining unaccepted part of Orchard Hill Circle for a distance of 750 feet by 50 wide.

Article 34. To see if the Town will vote to authorize the Town Moderator and the School District Moderator to each appoint two (2) townspeople who, together with the Moderators will form a committee of six (6). This committee shall review all Town Ordinances, and submit a copy of this review, together with whatever changes they deem advisable at the next annual Town Meeting.

Article 35. To see if the Town will vote to amend the Zoning Ordinance adopted at a special Town Meeting, December 8, 1953 and as subsequently amended by adding to the District Map of said Ordinance on Meetinghouse Road the following General Residential District: The land of the Zankowski Construction Co., so called formerly a part of the Craft land along the North side of Meetinghouse Road, consisting of approximately 110 acres, Book No. 1498, Page No. 253; Hillsborough County Records; the Cohen land on the South side of Meetinghouse Road between the land of the Bedford Sportsmen's Club and the Gault land consisting of approximately 7 acres, Book No. Page No.; the Cohen land on the North side of Meetinghouse Road, between the Loebel land and the Craft land, approximately 2 acres, Book No. Page No.

Article 36. To see if the Town will vote to amend the Zoning Ordinance adopted at a special Town Meeting on December 8, 1953, and as subsequently amended, by adding the following Industrial District: The land of Fedora and Edmond Chouinard, located on the Easterly side of the Daniel Webster Highway, beginning about 500 feet North of the boundary between the Town of Merrimack and the Town of Bedford for a distance of 60 rods in a Nor-

therly direction along said Highway, and consisting of approximately 22 acres on that side of the Highway, together with about 3 acres on the West side of said Highway.

Article 37. To see if the Town will vote to re-classify a parcel of land now or formerly owned by Martha Wiggin, Volume 1259, Page 468, on Meetinghouse Road near Route 101 to Commercial.

Article 38. To see if the Town will vote to amend the Zoning Ordinance adopted at a Special Town Meeting on December 8, 1953, and as subsequently amended, by adding the words, "and a municipal sewer" after the words, "municipal water supply", in Section IV, Par. 9. The amended paragraph shall then read, "Every building designed for the housing of one family, together with its accessory buildings shall be located on a site having not less than 10,000 sq. ft. when a source of municipal water supply, and a municipal sewer is available, and otherwise one (1) acre, unless such lot is on record at the time of the passage of this Ordinance.

Article 39. To see if the Town will vote on the following Article: Pursuant to authority conferred by Chapter 156, Sections 1 thru 5, N.H. RSA 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience, or general welfare, as well as to provide efficiency and economy in the process of development of the Town of Bedford, building permits shall be required for the new construction of buildings and for extensions of existing buildings.

The Town Clerk will issue and receive applications for Building Permits based on the following fee schedule:

Commercial and Industrial	\$10.00
Dwelling	5.00
Non-dwelling	2.00

All revenue received from applications for building permits shall be deposited in the General funds of the Town, the Selectmen to determine the fees to be paid for administration of this section of the zoning ordinance.

These fees shall be paid when the application is submitted, and shall be returned if the application is refused.

The Selectmen, jointly, shall serve as inspectors of buildings and shall hereafter be referred to as such, and a majority of such inspectors shall approve or deny the permit within ten (10) days of receipt of the application by the Town Clerk. The application shall be accompanied by a plan of such construction and a plot plan indicating the location of lot lines, structures, wells and septic tanks, and the nearest accepted way.

The owner or applicant shall give the Inspectors of Buildings written notice of at least 72 hours prior to pouring footings and/or foundations. The Inspectors of Buildings or an agent appointed by them for this purpose, shall inspect the building site within this time.

No permit shall be issued in violation of any Zoning Ordinance, or other Town Ordinance.

A holder of a permit may begin said construction only within one year from the date of issuance. After a year, extensions may be granted for up to one year without additional fees.

The Building Permit must be prominently displayed at the building site.

If at any time during construction, the Building Inspectors determine that a change has been made without changing the Permit Application, the Building Inspectors shall issue a notice to the owner or builder requiring immediate corrective action. Any violation which continues for more than ten (10) days after notification shall be penalized by a fine of \$10.00 per day to a maximum of \$1,000. for each violation.

If an owner or builder feels aggrieved by a decision of the Building Inspectors he can appeal such decision to the Bedford Board of Adjustment. Thereafter any person aggrieved by the decision of the

Board of Adjustment may appeal to the Superior Court of Hillsborough County.

This ordinance becomes effective upon acceptance by the Town, except for construction that has already been started.

If any article, section, sub-section, sentence, cause, or phrase of this ordinance is for any reason held to be unconstitutional or invalid, such decision shall not effect the remaining portions of this ordinance.

Article 40. To see if the Town will vote to enact the following article:

No person shall build any dwelling in this town at a distance of more than fifty (50) feet from an accepted way without first submitting a lot plan to the Selectmen. If no way is contemplated, the Selectmen can approve the plan so long as they indicate the standards which will have to be observed, in case a way is needed at a later date. If a way is planned, the applicant shall submit a lot plan showing all boundaries; the width and layout of all proposed ways; the layout of any existing way Bounding, approaching, or within 200 feet of a lot line, the finish grade of any proposed way; easements; public or common areas; a centerline profile showing drainage and culverts; a typical cross-section showing crown, ditch, type of construction and material gradation major site features; topography; together with a statement containing the name and address of all abutters as they appear in the most recent tax lists.

In deciding whether or not a way shall be accepted by the Town the Selectmen shall be guided by the following standards and procedures:

- a. The right of way should be 50 ft. unless the terrain prohibits, but in no case should it be less than 40 ft.
- b. The finished surface should be a minimum of 20 ft. wide.
 1. All loam and organic material should be removed.

2. Any fill may be used so long as it free from organic material to within 12 inches of finished grade. The last 12 inches should be gravel of proper gradation to meet TRA specifications. The surface must be paved with roadmix process using $1\frac{1}{4}$ gallons of asphalt per square yard, or equivalent.
3. No grade should be more than 9% nor less than 1%.
- c. Streets jogs with centerline offsets of less than 125 ft. should be avoided.
- d. All ways should be laid out so as to intersect as nearly as possible at right angles, and should intersect at not less than 60 degrees.
- e. Dead-end ways should be avoided but if this is not possible, they should be provided with a turnaround at the closed end. This turnaround should have a centerline radius of 75 ft.
- f. No way names should be duplicated. However, the extension of an existing way should bear the name of the original.
- g. No curve should have a centerline radius of less than 150 ft., except turnarounds on dead-end way.
- h. A permanent monument should be placed (and indicated on the plan) at every corner, and change of horizontal alignment.
- i. The plan should show public easements and the owner should offer the dedication of such easement areas.
- j. Elevations should tie to a USGS benchmark, if possible.
- k. There shall be a ditch on each side of roadbed with a minimum of 16" below centerline grade.

A way shall include any public highway, street, road, alley, whether or not it has been laid out, dedicated, or prescribed.

If the proposed way meets the Selectmen's approval, arrangements will be made to hold a public hearing on the proposed way. Notice of the hearing shall be published in a newspaper of general circulation in the town, and copies of this notice shall be sent, by registered mail to the applicant and owner, and to all abutters at their address of record. Both the publication and the mailing of the notice shall be carried no less than twenty days before the date of the hearing. A fee of \$10.00 will be paid upon submitting of the application to cover the cost of advertising and mailing.

If the proposed way does not meet with the approval of the selectmen, they shall notify the petitioner of the decision by mail. If the petitioner feels aggrieved he may appeal the ruling of the selectmen to the Superior Court.

If any article, section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be unconstitutional or invalid, such decisions shall not affect the remaining portions of this ordinance.

This article replaces article 29 in the Town Warrant of March, 1952, and becomes effective upon acceptance by the Town.

To hear the reports of Agents, Auditors, Committees and other officers heretofore, chosen and to transact any other business that may legally come before said meeting.

Given under our hands and seal this 20th day of February in the year of Our Lord, nineteen hundred and sixty.

Budget Committee

REPORT OF BUDGET COMMITTEE

ARTICLE 19

(Police Department)

Budget Committee recommends an amount of \$3500. There was insufficient program information presented to the Budget Committee to substantiate amount requested.

ARTICLE 10

(Pine Blister Control)

Submitted without recommendation of Budget Committee. Budget Committee feels the voters should be allowed to consider and act upon this article.

ARTICLE 7

(Civil Defense)

Budget Committee submitted this article without recommendation. At public hearing no information was made available as to how funds were to be expended.

ARTICLE 27

(Recreation)

Budget Committee dismissed the request for appropriation of \$1800.00. No information was presented to the Budget Committee at the time of the public hearing on how funds were to be expended.

ARTICLE 21

(Parks and Playgrounds)

Budget Committee dismissed the request for appropriation of \$500. No information was presented to the Budget Committee at the time of the public hearing on how funds were to be expended.

ARTICLE 12

(Advertising, Regional Association)

Submitted without recommendation of Budget Committee. Budget Committee feels that the voters should be allowed to consider and act upon this article.

ARTICLE 26

(Lights on New Bridge)

Submitted without recommendation of Budget Committee. Budget Committee feels the voters should be allowed to consider and act upon this article.

ARTICLE 23

(Two New Street Lights)

Budget Committee dismissed this appropriation. No one was present at the public hearing held by the Budget Committee to speak for this appropriation.

ARTICLE 25

(New Compressor)

Submitted without recommendation of the Budget Committee. Budget Committee feels that the voters should have opportunity to consider and act upon this article.

All other appropriations requested were recommended by the Budget Committee.

BEDFORD PLANNING BOARD**1959**

During the year 1959, the Planning Board became very active. We met an average of twice a month, and found ourselves involved in two very different types of problems.

The first was the development of articles for the warrant that would meet the needs expressed in the March 1959 Town Meeting. In order to do this, we are proposing two basic articles. The first sets up a building permit system. While this is a very simple law, it will permit the Selectmen to keep a closer touch on building and it will enable the Selectmen to warn builders of any violations before that builder has progressed too far. The next article is designed to see to it that streets are planned and constructed in such a way, that when the Town accepts a new street, it will tie into our present street system, and represent a minimum additional expense to the Town.

The second area was in close co-operation with the Selectmen on problems related to the development of land in Bedford. The Planning Board not only tried to learn what was needed to help our town grow in an orderly fashion, but we also tried to help the Selectmen solve specific problems. The number of situations were surprisingly large (27) and time consuming.

The Board would like to take this opportunity to thank not only the Selectmen, but all town officials for their co-operation during 1959.

Respectfully submitted,

Alexander Majeski, chairman

Kazys Daugela

Prevention is Everybody's Business

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.

4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	21
Number of acres burned	7½
Number of permits issued	449

During the past year the Bedford Library has continued to grow, not only in increased circulation, but also in service to the community.

National Library week was observed from April 12th to 18th. The main activity of the week was an Open House held on Sunday afternoon, April 12th. The trustees and librarians were host to the many interested townspeople who came to view the recent improvements. Featured at the Open House were displays of books given to the library during the year by various town organizations. The week's observance ended with a roar on Saturday morning as 90 boys and girls poured into the children's room to attend a film program. The librarians served juice and crackers to the extremely well-behaved youngsters who asked, "When can we come again?"

On June 3rd and 4th, Doris Peck and myself attended the annual meeting of the New Hampshire Library Association held at Hanover, N. H. At that time it was my privilege to be elected second vic-president of the New Hampshire Library Association. From July 6th to 24th, I attended the library school at the University of New Hampshire for the second year having again received a scholarship from the New Hampshire Federation of Women's Clubs. This four-year course on elementary library techniques is most valuable.

To stimulate good reading habits and to keep the children's interest in books alive during vacation, we inaugurated a summer reading program. This venture proved well worth our efforts as 46 boys and girls from 3rd to 8th grade completed the program. 420 books were read with Jane Johonnett topping the list with 35. Prizes were awarded to the boy and girl in each grade who had read the largest number of books at their grade level.

We observed National Children's Book week in November. Special exhibits of new books in the children's field were on display. It was my pleasure to visit the Stevens-Buswell School and read a

story to the entire school. As a result of our earlier success in holding a film program, we brought Children' Book Week to a close with another film showing for our small friends.

These were some of the special projects of your library, but along with these we continued to carefully select new books and magazines, to help the school children with research and to welcome and encourage patrons to the library.

Throughout the year we have continued our long, painstaking job of cataloging the book collection. We are most grateful for the faithful volunteer assistance we have received on this task.

Our trustees have worked closely with us to facilitate the services of the library to the community.

We wish to thank the many interested friends from whom we have received gifts of books and magazines. Our special thanks goes to the Bedford Garden Club and the Bedford P.T.A. for their gifts of magazine subscriptions and to the Bedford Mother's Club, the Bedford Women's Club and to the Stevens-Buswell Post of the American Legion Auxiliary for their gifts of books.

Respectfully submitted,

FRANCES M. WIGGIN, *Librarian*

ANNUAL REPORT OF THE TRUSTEES OF THE BEDFORD PUBLIC LIBRARY

Again the trustees of the Bedford Public Library offer to the town a report of their stewardship for the year 1959.

Regular meetings of trustees and librarians have been held on the first Friday of alternate months; there have been special meetings when considered necessary; both have been supplemented by frequent informal consultations.

Shortly after receiving the town's appropriation of \$500 for the installation of the library's first restroom, work was begun on the water line. Almost immediately it was discovered the old line and fittings were pretty well gone. The Board of Selectmen concurred with the trustees in deciding that in order to have a safe, long-lasting water supply, a complete new line should be run from the Town Hall. The additional cost over the \$500. appropriation was taken from the 1959 maintenance budget. The completed restroom

is very small, but the toilet, lavatory, and light have added considerably to the comfort, especially of the small patrons.

National Library Week was observed April 12 to 18, as outlined in the librarian's report. With the librarians, the trustees served as hosts at open house on Sunday, April 12. Invitations were accepted by representatives of the State and Manchester libraries, the selectmen, School Board, and a number of townspeople.

Mrs. Nickolls attended the all-day annual Library Trustees meeting, Concord, April 30, and at present is serving on the state's program committee planning this year's meeting, May 26, 1960. Trustees and librarians have attended all area meetings.

The Board of Selectmen has been most helpful in following the trustees' recommendation that a "no parking" zone be established on the narrow road in front of the library, thus protecting to a degree the many young children who use the library.

A fire extinguisher was provided.

Originally, the trustees and librarians had planned to open the library three additional hours per week. Instead, it was deemed more important to use the extra time toward the tremendous task of cataloging the book collection. Aided by a few devoted "friends of the library," this task is proceeding well. In 1960, we again hope to open the library for additional hours, thus relieving the congestion and strain on patrons and librarians resulting from the present seven hours per week (Tues. 7-9; Friday 2-5 and 7-8 p.m.) when the library is open.

Publicity which has included lists of new books and circulation figures has been supplied and printed by the Manchester Union-Leader and the Goffstown News.

The State Library and its area director, Mrs. Richard Sanborn, have been of much assistance with advice and the loan of hundreds of books from the Bookmobile.

It is difficult for the trustees' report not to overlap that of the librarians; to get a true picture, the tax-payer should study each.

Our own study of the figures on the high increase in circulation over the past few years reveals some interesting facts of life in Bedford: rapid growth of population; new families who are coming in as reading families; use of the library as a real community center is increasing; and that users of all ages apparently are finding

what they enjoy. The other side of the picture is that our librarians would not put in the many unpaid hours they do at the low salaries they receive were they not consecrated in what they are doing; books of value are showing tremendous increase in cost; our beautiful, functional little Colonial building has almost reached a saturation point for space and within a few years will need larger quarters, according to present figures of growth.

We should also like to call attention to 1958 figures (1959 not yet available) compiled at the N. H. State Library. The per capita library expenditures for towns of from 2,000 to 4,000 population show an average library expenditure of \$1.48 per town. Bedford population, as estimated by the Bedford selectmen, is about 3,500. Figuring from last year's appropriation of \$2,000, Bedford taxpayers spent .57c per capita for its library advantages.

If tax-payers wish to protect and raise the cultural level of Bedford, expressed through its library, they will need to increase the appropriation substantially for several years to come.

You may be assured trustees and librarians will protect your appropriation in every possible way.

Respectfully submitted,

ROBERT A. BAILEY, 1961, *Chairman*
ISABELLE M. BARNARD, 1960, *Treasurer*
FLORENCE S. NICKOLLS, 1962, *Secretary*

THE VISITING NURSE ASSOCIATION OF MANCHESTER, N. H.

Annual Report of 1959

The Visiting Nurse Association of Manchester, New Hampshire was organized in 1897 as the District Nursing Association by the Women's Auxiliary of the City Missionary Society. The original sound objectives still pertain. They are: To promote health, individual, family and community; To prevent disease by teaching the principles of health, hygiene and sanitation; To apply effectively, in the prevention of disease and the promotion of health such functions of public health nursing as are included in the Association's program.

The Visiting Nurse Association has pioneered in establishing and demonstrating important health services in New Hampshire in-

cluding: The first diagnostic clinic for Tuberculosis in 1916. The first clinic for the treatment of Crippled Children in 1917; The first Mental Hygiene Child Guidance Clinic in 1931. All these are now recognized to be essential individual community health services which are not longer provided by the Visiting Nurse Association. The Associations' vital role in providing public health nursing service to the people of Manchester continues today and was extended to Bedford, New Hampshire in 1956.

Nursing Services

Visiting Nurse Service is available for all of the residents of Manchester and Bedford. Given with the direction of the patients physician they include general nursing care of the acutely ill, the convalescent and chronically ill, maternity care and instruction; health supervision of infants and preschool children; therapy needed for the rehabilitation of the crippled and handicapped.

The nurse provides maternal and infant care and instruction and guidance in family health problems.

All fees for nursing service are applied to the Associations' Budget. Those able to pay the full cost of the visit are expected to do so. Those unable to pay may receive visits on a part pay or free basis.

Full information concerning the nursing service can be obtained by telephoning NAtional 2-3781 between 8 A.M. and 4:30 P.M.

Condensed Financial Statement

Total Receipts, including allotment of	\$14,172.00
from the Manchester Community Chest of	75,938.01
Total Disbursements, including, salaries, transportation costs, Building repairs and equipment and other operating expenses	\$75,972.05
Operating Expense, deficit carried 1960	33.94

We wish to express our appreciation to all who cooperated with our Association, during the year, the volunteers from the Bedford Womens Club — the physicians, health and welfare agencies, to Mrs. Gladys Smend and Mrs. Hazel Somes and our many other friends in the Community.

We also wish to thank Mrs. Henry Wheeler and the Cogswell Benevolent Trust for their generous gifts to the Association, and to all who have supported our work by volunteering their services and by their donations to the Community Chest.

Respectfully submitted,

FLORENCE E. CRUICKSHANK
Executive Director

ANNUAL REPORT

of the

SCHOOL DISTRICT

for the

TOWN OF BEDFORD, N. H.

FOR THE YEAR JULY 1, 1958 TO JUNE 30, 1959

SCHOOL WARRANT**THE STATE OF NEW HAMPSHIRE**

*To the Inhabitants of the School district in the town of Bedford,
New Hampshire qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 15th day of March, 1960 at 10:00 o'clock in the forenoon, to vote for Officers under Articles 1, 2, 3 and 4. Polls will be open from 10:00 A.M. to 6:00 P.M. Action on the remaining Articles will begin at 8:00 P.M.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Bedford this 17th day of Feb., 1960.

REPORT OF THE BEDFORD SCHOOL BOARD

To the Residents of Bedford:

Again, it has been my privilege to serve as Chairman of your School Board. Insofar as reporting to you on the administration, changes in personnel, educational growth, and new facilities for the past year are concerned, you will find the reports from the Principals, Helping Teacher, and Superintendent very comprehensive. Therefore, I will leave these matters to them and discuss with you Bedford's outlook for the future.

To review briefly, one year ago the Secondary School Study Committee presented its report to the town. This Committee became very much aware that Bedford was approaching an acute situation on the elementary level. From the projected figures that were developed a tentative 10 year program was proposed. The proposal, generally, was:

- a. Immediate addition of 4 elementary classrooms.
- b. Construction of additional classrooms in approximately 5 years for either junior high or elementary grades.
- c. In approximately 10 years a decision to be made as to how to accommodate the estimated 410 high school students. At this time the town will be in a position to decide whether this number of students best be provided for in a Bedford High School; a Co-op; or continue as Manchester tuition students.

With the cooperation of the Bedford voters, the initial step of this program has been completed. The past year has seen the addition of 4 classrooms to the Bedford Memorial School.

Our next consideration is to estimate the year in which we will need additional classroom space. The first step in accomplishing this estimate was to revise previously projected school population figures with known present pre-school census, present enrollment, present Bedford Parochial students, and a new estimate of future growth. After considering the elements, the Sub-committee on Population of the Secondary School Study Committee has provided us with a comparison of previous versus present estimates of classroom requirements for the next 10 years.

Year	1958 Estimate			1960 Estimate		
	Grades 1-6	7-8	1-8	Grades 1-6	7-8	1-8
1958-59	13	4	17	12	4	16

1959-60	14	5	19	13	4	17
1960-61	15	6	21	14	5	19
1961-62	16	5	21	14	4	18
1962-63	17	4	21	16	5	21
1963-64	18	6	24	17	5	22
1964-65	18	6	24	18	6	24
1965-66	18	6	24	18	6	24
1966-67	18	7	25	17	6	23
1967-68	18	8	26	18	6	24
1968-69	18	7	25	18	6	24
1969-70	18	7	25	18	6	24

It appears at this time, that the 1963 to 1964 period is the area in which new construction will be required, based upon an average of 30 students per class.

We are presently operating with 17 classrooms, with 3 more available when required. Present indications are that they will all be in operation in 1962.

A year from now a more accurate estimate of future classroom requirements will be presented. It is the School Board's desire to keep you aware of the educational needs of Bedford, and to plan growth in a manner which will be best educationally and economically to you as parents, residents, and taxpayers of Bedford.

RICHARD G. FAIRCHILD

Chairman of the School Board

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Bedford:

I submit my fifth annual report as your Superintendent of Schools.

Bedford has once again met the challenge of increased enrollment with the new four room addition to the Bedford Memorial School and an additional teacher to increase grade one to three sections in place of the two that had become too crowded for efficient, effective instruction.

By placing the three grade one sections in Peter Woodbury School, and grades two and three in Stevens-Buswell we were able to keep all grades together in a building, where the teachers could easily share equipment and supplementary reading materials for their particular grades. This places grade 4 through 8 in the Bedford Memorial School under full time Supervising Principal Donald Fournier. Mrs. Evelyn Barton has been appointed to the Principalship of the Stevens-Buswell School to replace Mrs. Dorothy Marcy who went to Peter Woodbury as Principal of that building.

I want to compliment the Principals, teachers and all those who planned and participated in the moving program that resulted from the above changes. Hard work and planning paid big dividends in the lack of confusion and in the way classes picked up where they left off prior to moving day.

I am happy to be able to repeat a statement I have made many times, "Bedford schools are consistently improving their instructional program which is reflected in the active interest and support of you parents and citizens."

The fact that we lost only one teacher from our staff last year speaks well, not only for the morale of your teaching staff but reflects your efforts in trying to give your teachers a salary that is consistent with the salaries of surrounding towns. The new Salary Schedule accepted by your School Board and presented at the Annual Meeting is our honest effort in being realistic but not unreasonable. In my estimation it deserves your wholehearted approval. I'm sure it will be a determining factor in holding our teachers while at the same time it will attract the quality of person I'm sure you desire as a teacher of your children.

NEW TEACHERS

Mr. Louis T. Nardello, Suffolk University - 1956, B.S. Degree with extension work at Springfield University. Although Mr. Nardello

had no prior teaching experience he has worked extensively with young people in YMCA work. He replaces Kelvin Dalton who resigned to accept a teaching position in Exeter high school.

Mrs. Charlotte B. Saxe, Boston University - 1960, B.S. Degree in Speech Therapy and Elementary Education. Mrs. Saxe begins her duties as additional first grade teacher on February 1, 1960.

Miss Nancy L. St. Lawrence, B.Ed. Plymouth Teachers College to replace Mrs. Ann Adams on February 1, 1960. Mrs. Adams has resigned to move to Florida where her husband has a new position. We are indeed sorry to lose Mrs. Adams after her many years as a successful teacher in Bedford.

INSTRUCTION

There is an old adage that goes something like this, "Once you stand still you go backwards." With the cooperation between Mr. Paul O'Neil, Principals, teachers, and parents that exists in your school system it can be said that there is every indication that Bedford is moving forward. One has the feeling that education is a joint effort with everyone's contribution an integral part of the whole program. As Mr. O'Neil's report follows I will only say further that I'm happy with what I see and hear in Bedford.

SCHOOL LUNCH

I'm pleased that Bedford has for the first time contributed district funds for the School Lunch Program. This will insure continuance of the excellent lunches your children have been accustomed to. It was becoming more and more difficult to meet the requirements with monies taken in solely from the hot lunch program.

MAINTENANCE

The adding of fire exits at the Peter Woodbury School has met requirements established by the Fire Marshall and will insure the safety of your children. Your School Board's policy of correcting small maintenance problems as they arise is paying dividends in keeping maintenance costs to a minimum. The continued good work by your custodians has kept your buildings not only in good repair but clean and comfortable for teachers and pupils. It is good to see Paul Anderson back after his illness and to know that he and Mr. Latulippe will be looking out for the general maintenance of Bedford Memorial.

LOOKING AHEAD

With the current growth in population that is taking place in Bedford it would take more than an optimist to think that Bedford's school housing problems were solved for any given number of years. It is with this in mind that I recommend the formation of a Committee to work with the School Board in establishing a long range building program for the district and at the same time investigate various plots of land that would be available for any future building plans. To me this would be an approach that would eliminate future building on an emergency basis and would insure the best possible solution to a problem that is bound to arise in a possible three years or less.

In closing I wish to express my appreciation to the school board, teachers, parents, and pupils, for their fine cooperation. It is a pleasure to be on the team.

Respectfully submitted,

LOUIS L. RAMSAY

Superintendent of Schools

HELPING TEACHER'S REPORT

Mr. Louis L. Ramsay
Superintendent of Schools
Bedford, New Hampshire

Dear Mr. Ramsay:

I herewith submit my report as Helping Teacher in the town of Bedford, New Hampshire.

Let me begin by defining the basic function of the elementary school as stated by an expert in the field, Henry J. Otto:

"The basic function of the elementary school is to guide every child to have those living and learning experiences that will enable him to behave as a responsible, considerate, contributing citizen at every stage of his development."

I particularly like this definition as it applies to the Bedford schools. My classroom visitations have given me several opportunities to observe teachers involved in "guiding" your children into

realistic "living and learning" experiences. A teacher's task is complex. To assist in making one phase of his responsibility — that of improvement of the instructional program — somewhat of a less cumbersome experience, you have engaged the services of a Helping Teacher. His concern, therefore, is to see that teachers keep in sharp focus our ultimate as well as immediate educational objectives. How does he go about this task specifically? There are many techniques and devices used. These are listed for the reader but do not appear in any order of importance nor is this list all-inclusive:

- a. classroom observation and supervision
- b. personal conferences
- c. grade-level meetings of all teachers union-wide
- d. special work shops or work sessions and other
- e. in-service programs
enlisting teacher-cooperation in curriculum revision and planning
- f. attending faculty meetings
- g. demonstration teaching

I have found that your teaching force here in Bedford is most cooperative and highly dependable. It is a pleasure to work with such professional people. I have found them eager to experiment, anxious and willing to work hard at their duties, interested in improving their status by attending extension courses and workshops offered by nearby institutions of higher learning.

What are a few "educational break-throughs" currently existent in your schools?

I TEACHING BY TELEVISION

On February 1st the fourth grade students "tuned in" their spanking new television sets to channel 11 (WNEH - Durham) for the first in a long series of fifteen minute programs on New Hampshire history. These are not entertainment periods. Rather, they are carefully organized, expertly planned, informative and much-needed periods of a highly instructional nature. Teachers know what to expect well in advance of the weekly lesson, and are equipped with manuals to enrich, materials to enhance, and methods to evaluate each weekly program.

Fifth and sixth graders will tune in soon for similar lessons in science; junior high pupils for lessons in French.

II MULTIPLE TEXTBOOK USAGE

In the junior high social studies classes the children no longer are limited to one textbook. Several textbook sets have been purchased giving pupils an opportunity to capitalize on the strengths of several social studies experts presenting wider coverage and broader concepts.

III CONVERSATIONAL FRENCH

This program, although two years old, is most popular with pupils. Headed up by a teacher who has a full teaching load of regular academic classes and subjects, this additional co-curricular offering will undoubtedly direct more and more students into studying French in the higher grades, and, to say the least, will assure them of a higher degree of competence.

IV FOREIGN LANGUAGE NEWSPAPERS

Monthly, bi-monthly, and weekly periodicals from numerous foreign lands, printed in English, arrive at the Memorial School for use in social studies classes where current events is a necessary part of the curriculum. What better way is there to get the news of world happenings, if not from the country itself?

V FLEXIBLE GROUPING

No two youngsters are alike, in ability, and in performance. Therefore we are teaching them, with major emphasis upon the recognition of these differences so that they might proceed at their own rate. All groups are kept flexible so that children may advance as skills are strengthened.

VI AUDIO VISUAL AIDS

To assist teachers in performing their teaching adequately you have supplied them with such aids as: an opaque projector, bioscope, motion picture projector, film-strip projector, record players, and numerous other teaching aids.

I have only mentioned a few techniques being used to good advantages in your schools. The "three R's" kind of teaching is still

our major concern in each classroom and considerable evaluation has proved that we are not side-stepping this issue.

You ought to be proud of your schools. I am.

Respectfully,

PAUL L. O'NEIL
Helping Teacher

REPORT OF SCHOOL NURSE

Bedford, N. H. — January 10, 1960

To the Superintendent of Schools, the School Board, and the Citizens of Bedford, New Hampshire:

The following is my report as School Nurse for the school year 1958-59.

Number of children examined by Dr. Manning,

(inc. 58 pre-school)	476
Number of children with operative tonsils 19, enlarged	65
Number of children with defective teeth	109
Number of children with wax plug in ears	9
Number of children examined by school nurse	464
Number of children weighed and measured	452
Number of children with speech defects	20
Corrective speech instruction	20
Number of children given eye test	449
Number of children with defective vision	40
Number of children who had eyes checked by a Doctor	58
Number of children fitted with glasses	25
Number of children seen by a Dentist	332
Number of children who had Chicken Pox	1
Number of children who had Measles	2
Number of children who had Mumps	1
Number of children who had Impetigo	1
Number of children who had German Measles	1
Number of children who had Scarlet Fever	5
Number of children who had Pneumonia	8
Number of children who had Appendix operation	4
Number of children who had Tonsil operation	10
Number of children who had Eye operation	1
Number of children checked at pre-school clinic	58
Number of home calls made	415

There were 6 children taken to a polio clinic in January, 1959.

Respectfully submitted,

GLADYS W. SMEND

School Nurse

HOT LUNCH PROGRAM

The following is my report of the Hot Lunch Program for the school year 1958-59.

At the Peter Woodbury School, Mrs. Lala Curran served 8664 hot lunches. Of these 821 were free or reduced.

At the Stevens-Buswell School, Mrs. Ralph Miltimore served 13,120 hot lunches. Of these 947 were free or reduced.

At the Donald Street School, Mrs. Ramig and then Mrs. Gus Bernier served 5,781 hot lunches. Of these 691 were free or reduced.

At the Bedford Memorial School, Mrs. Freida Chickering served 16,281 hot lunches. Of these 913 were free or reduced.

Our receipts for the school year 1958-59 for all four schools together were \$15,209.19. Included in this total is our Government reimbursement of \$2,828.53. Our expenditures totaled \$15,381.91.

Carried over from the previous year was a balance of	\$ 465.43
Cash Receipts this year	15,209.19
	<hr/>
Total Receipts	\$15,674.62
Total Expenditures	\$15,381.91
	<hr/>
Balance as of July 1, 1959	\$ 292.71

Report of Teacher Salary Schedule Committee to the Bedford School Board

1. *The Schedule*

<i>Year's Experience</i>	<i>Salary</i>
0	\$3800
1	4000
2	4200
3	4400
4	4600
5	4800
6	5000
7	5200
8	5400
9	5600

2. *Degree*

The above schedule is for teachers with a Bachelor's Degree. A teacher with a Master's Degree will receive \$200 more at each step on the above schedule. For a teacher in the system at present who does not have a Bachelor's Degree, 10 years' experience in the Bedford system will be considered the equivalent of a Bachelor's Degree. This will place the teacher on the above schedule, at whatever step appropriate to his years of experience.

3. *Steps to get on schedule*

Any teacher in the system at present who is behind the schedule will be placed on schedule over a period of 4 years, except where that teacher is \$400 or less behind the schedule. In that case he will be placed on schedule in 2 years.

4. *Credit for experience*

A teacher coming into the Bedford School District with experience outside the Bedford School District will be granted full credit for that experience up to a maximum of 5 years. The School Board and Superintendent of Schools may extend to teachers credit for outside service beyond the 5 year period when they deem it in the best interest of the School District to do so.

Wherever possible no new teacher shall be hired at a salary greater than that received by a teacher in the system with comparable experience and training.

5. *Sick Leave and Emergency Leave*

A teacher in the Bedford School system is entitled to 10 days' sick leave, with pay, per year. A teacher will receive an additional 10 days' each year, for which the teacher will receive the difference between his salary and a substitute teacher's salary.

After 3 years' service in the Bedford School System, a teacher's 10 days' sick leave, with pay, may be extended to one calendar month at the discretion of the Superintendent of Schools. This may again be extended by the Superintendent of School. to another calendar month for which the teacher will receive the difference between his salary and a substitute teacher's salary.

Emergency Leave may be considered a part of this Sick Leave provision, with permission of the Superintendent of Schools.

The above provisions are non-cumulative.

6. *Professional growth requirements*

Teachers must have 6 credits every 5 years in their major field.

7. *Extra-curricular work*

Most extra-curricular duties shall be considered a normal part of the teacher's responsibility, except:

The sum of \$200 shall be paid the teacher directing the boys' athletic program and \$100 shall be paid the teacher directing the girls' athletic program.

8. *Credit for outstanding service*

The School Board may, at the recommendation of the Principal and Superintendent, give recognition to a teacher for outstanding service.

9. *Withholding increments for unsatisfactory service*

The School Board may, at the recommendation of the Superintendent, keep a teacher from advancing on the salary schedule for a year. This shall constitute a warning that service is below standard, and the Superintendent shall explain the reason for such action and offer professional help to remedy the failing. In the following year, either the teacher's advance in salary shall be resumed or the teacher's appointment shall be terminated.

This provision shall not be interpreted as limiting the right of the School Board to terminate a teacher's appointment at the end of any year of unsatisfactory service.

10. *Review of schedule*

The schedule is to be reviewed and revised (if necessary) every two years.

Provisions of this schedule are contingent upon approval of the budget at the Annual School District Meeting.

Respectfully submitted,

John Reilly

Ann Lowery

Albert Lindahl

Elenore Freedman
